Dar es Salaam – Tanzania

Dear Sir/Madam

REF: **APPLICATION FOR CERTIFICATE OF INCENTIVE FOR MINING  
PROJECT**

Our company is duly registered in Tanzania and complies with all legal authorities. We are committed to adhering to environmental standards, ensuring community engagement, and maintaining transparency throughout the project.

We, The British Family Company Limited, are writing to respectfully apply for a Certificate of Incentive for our mining project located in Dar es Salaam. This project is intended to operate in line with national development goals by contributing to economic growth, employment creation, and responsible resource extraction.

We believe that the incentives offered under the Tanzania Investment Centre will enhance our capacity to carry out this project efficiently and sustainably. The mining project represents a long-term investment with the potential to contribute significantly to local and national revenue.

Please find attached all relevant documentation for your consideration, including our business registration certificate, project proposal, environmental impact assessment clearance, and company profile.

We humbly request that TIC favorably consider our application and grant us the Certificate of Incentive to enable us to proceed with necessary arrangements, including duty-free importation of equipment, tax benefits, and any other facilitative measures as provided under your mandate.

We thank you in advance for your time and look forward to a positive response.

Your faithfully,

JOHN MATHIAS MUSHI  
Managing Director  
The British Family Company Limited.
