Dear Sir/Madam,

**RE: APPLICATION FOR CERTIFICATE OF INCENTIVES UNDER
TISEZA**

We, **Amani Afrika Limited**, holding Tax Identification Number (TIN) 106-007-721, hereby submit our application for a Certificate of Incentives through the Tanzania Special Economic Zones Authority (TISEZA).

Amani Afrika Limited is a registered Tanzanian company specializing in sustainable and high-end tourism services. We are currently planning to expand our operations by establishing permanent safari camps within the Serengeti National Park, followed by the development of a tourism lodge in Arusha. These facilities are part of a broader initiative to deliver an integrated, eco-conscious tourism experience targeting both local and international markets. The project is aligned with national tourism development priorities and supports the broader vision of sustainable economic growth.

In view of the above, we kindly request that our application for a Certificate of Incentives be given due consideration, enabling us to access the fiscal and non-fiscal benefits provided under the Act.

Yours,

Godwin Temba
Director
