**Subject: Request for Renewal of TIC Certificate.**

Dear Sir/Madam,

We are writing to formally request the renewal of our Tanzania Investment Centre certificate for Tazpack Industries Limited, Incorporation No: 152-042-809 and TIN: 152-042-809. Over the past three years, we have significantly contributed to the Tanzanian economy by investing over USD 10 million into the company and currently, we are proud to employ 200 local staff. This investment has enabled us to expand operations, create numerous employment opportunities, and support local businesses through our supply chain activities.

Our immediate focus is to further enhance our production capacity and achieve our near-term goal of becoming the largest box manufacturer in Tanzania. To this end, we are planning to expand our factory, incorporating cutting-edge technology and increasing our workforce to meet the growing demand for quality packaging solutions within the country and beyond.

The renewal of our TIC certificate is critical to supporting this expansion, as it will enable us to continue accessing the resources and incentives required to realize our objectives. We are committed to aligning our growth with Tanzania's industrialization and economic development goals as outlined in Vision 2025.

Enclosed with this letter, please find all relevant supporting documents, including project photos and progress reports, as evidence of our investments and ongoing commitment to Tanzania's economic development.

We kindly request your favorable consideration of our application and are available for any further discussions or clarifications that may be required to facilitate this process. Please feel free to contact us for any doubts or queries.

Thank you for your continued support.

Yours sincerely,

Chandni Nihar Ahuja, Director,  
Tazpack Industries Limited,  
Dar Es Salaam, Tanzania.
