The Executive Director,

Shaaban Robert Street,
P.O Box 938,
DAR ES SALAAM.

Dear Sir,

RE: Extension of Project Implementation Period under Certificate of Incentives No. 20216463 dated 28th June, 2021, and expiring dated 27th June, 2024.

The Captioned Subject above refers:

Minopex Mining Solution Tanzania Limited, is a registered company under Tanzania Investment Centre (TIC) with Certificate number **20216463** granted on 28th June, 2021

Due to various investment and business challenges, we were unable to complete the project as initially planned.

However, we have since reorganized and reassessed the current business environment, and we are now in a position to proceed with the project implementation.

The utilization of the incentives granted by TIC is crucial to the success of our project. Therefore, we kindly request extension of the project implementation period. This extension will provide us with adequate time to fully utilize the granted incentives, which we have not yet been able to take advantage of.

Please find enclosed a copy of our TIC Certificate for your reference.

We appreciate your understanding and cooperation in this matter.

Yours truly,

Jacques Louw
Financial Controller - International
