Subject: Application for Amendments of  
Certificate of Incentives

Dear Director General,

I am writing to on behalf of the company formally apply for changes project site locations on Certificate of Incentives from the Tanzania Investment Centre (TIC).

On 13 November 2024, we acknowledge receipt of certificates of Incentives No.2024112320 whose site location Plot No. 102, Chapulwa, mwendakulima ward, Kahama district, Shinyanga through Lease agreements.

During implementation we face some challenges, management decided to find Land for acquisition and locate the project, and currently we find new location Plot No 83 and 84 Block 'D' Kagongwa, Kahama Municipal, Shinyanga purchased by Whitefield Tanzania Agro Processing Limited.

In line with this, we hereby apply for the site location amendments on our Certificate of Incentives.

we understand that the certificate provides access to various benefits, including tax exemptions, simplified procedures, and support from TIC, which are critical to the successful establishment of this Project.

Thank you very much for considering this application

Yours sincerely,

ENOCK FELIX CHANGWA (Director).....
