Dear Sir,

**RE: APPLICATION FOR INCENTIVE CERTIFICATE FOR IMPORTATION OF TRUCKS &
TRANSPORTATION OF GOODS BY ROAD PROJECT**

Reference is made to the above caption.

We are writing to formally apply for an Incentive Certificate from the Tanzania Investment Centre (TIC) for the **Importation of trucks and Transportation of goods by road** as part of a new business project we are undertaking.

The project aims to import modern trucks and establish a reliable transportation system for the movement of goods across the country. By investing in new and efficient vehicles, we plan to enhance the transport sector, which is a critical part of a nation's economy. The trucks will be used to move goods to various regions of Tanzania, including remote areas, and will create a faster and more affordable transportation option for businesses and consumers alike.

This project will bring significant benefits to both the government and the people of Tanzania. Firstly, it will improve the national infrastructure by providing a more efficient and reliable transportation network. This will lead to a reduction in transport costs for businesses, thereby lowering the cost of goods for consumers. Additionally, by ensuring the timely delivery of goods, the project will contribute to the growth of various industries, including agriculture, manufacturing, and retail.

Secondly, the project will create employment opportunities for many Tanzanians, both directly and indirectly. There will be jobs created for truck drivers, maintenance staff, logistics coordinators, and other related roles. This will help reduce unemployment and

improve the livelihoods of many families across the country.

Lastly, the improved transportation network will support the government's goal of fostering economic growth and regional integration, as goods can be transported more easily between different regions, contributing to balanced development.

We are confident that this project will be a great addition to the Tanzanian economy, and I look forward to receiving the Incentive Certificate from TIC to help move it forward.

Thank you for your time and consideration. Thank you again for your continued efforts in providing us with diligent services.
