REF BEL/01/2026

**Director General,  
Tanzania Investment and Special Economic Zones Authority,  
P. O. Box 938,  
DAR ES SALAAM  
Tanzania**

Dear Sir/Madam,

**REF: APPLICATION FOR NEW CERTIFICATE OF INCENTIVES FOR BUGANDO SOLAR POWER  
PROJECT (5MW)**

Kindly refer to the above heading.

Bugando Natural Energy Limited is a private owned company focused on the establishment and development of renewable energy projects including solar power. The Company specializes in turnkey solutions in the renewable energy sector on a commercial and large-scale level. The Company's expertise focuses on the technical and economical optimization of solar, wind and hydro power plants.

The Company's goal is to contribute to the National objective of enhancing reliability and access of electricity to support National development.

In line to its Goal, Bugando Natural Energy Limited have started the implementation of a 5MW solar power project located at Bugando village, Chabula ward, Magu District, Mwanza Region that will generate electricity and sell to TANESCO Grid through SPPA. Thanks to CRDB Bank Plc and other development partners for financing the project implementation.

Therefore, we are applying for New Certificate of Incentives from your esteemed office for this project. The supporting documents to this application are attached for your consideration.

Thanking you and looking forward to your support and cooperation.

Sincerely,

**Joseph A. Jirabi  
Managing Director**
