**Re: DEVELOPMENT OF 5 MW OF SOLAR FARM IN BUGANDO VILLAGE,
CHABULA WARD, MAGU DISTRICT, MWANZA.**

**Subject: Intention to finance, develop and sell (BOO) electricity to
TANESCO National Grid.**

The Ministry of Energy acknowledges receipt of your letter dated 17th February, 2022 with Ref. No. BEL/12/2022 regarding the captioned subject.

2. We commend your interest to develop solar Minigrid in Tanzania. These are in line with National Energy Policy, 2015 which among others calls for promotion of renewable energy sources in the overall national energy mix.
3. For further details, Bugando Natural Energy Limited is advised to liaise with Tanzania Electric Supply Company Limited (TANESCO), the utility entrusted as the government arm for matters related to development of Energy projects in the country.
4. Your cooperation is highly appreciated.

RE: AN AUTHENTICATION FOR DEVELOPMENT OF 5 MW OF SOLAR FARM IN BUGANDO VILLAGE, CHABULA WARD, MAGU DISTRICT, MWANZA REGION

2. The caption above refers.
3. After the District Management Environmental Committee made overall evaluation of the screening process on the site for development of 5 MW of Solar Farm, the following observations were advised:-
4. Screening indicates that the site of the project will not be within environmentally-sensitive areas. No families will be displaced from the site. Identified impacts in the project brief are minor, marginal and of little significance. Mitigation measures for the identified impacts are well understood and practiced in the area.
5. Therefore according to EMA 2004 sect 36 (3) (f) and with reference from screening report and project brief, I authenticate the development of Bugando Natural Energy in Bugando Village. This authentication is a permit to develop a project without contravening EMA 2004 section 81 and Environmental Impact Assessment and Audit regulation 2005 (first schedule A.7. v).
6. Thank you for your continued cooperation.
