TANZANIA INVESTMENT CENTRE  
P.O. BOX 938  
DAR ES SALAAM,  
TANZANIA

Dear Sir,

**SUBJECT: APPLICATION FOR CERTIFICATE OF INCENTIVES FOR RELIEF ON IMPORT DUTY ON TRACTOR HEADS IMPORTED FROM CHINA.**

With reference to the above heading, we are writing to formally apply for the Certificate of Incentives as granted under Part III, Section 17 (1-8) of the Tanzania Investment Act, 1997. Mansoor Industries Limited is currently the second-largest Oil Marketing Company in Tanzania based on market share. Our company specializes in importing and supplying bulk fuel across Tanzania and has recently expanded operations to Zambia and the Democratic Republic of Congo.

The purpose of this application is to facilitate the sale of our own imported fuel while also generating margins from the transportation services we provide. Currently, the supply of fuel does not meet the growing demand, prompting the need to expand our fleet by adding 150 trucks annually for the next three years. This investment is crucial in ensuring an adequate and reliable supply chain while also creating employment opportunities for Tanzanians and increasing revenue for both the company and the country.

We kindly request your guidance and support in expediting this application process. If any additional information or documentation is required, please do not hesitate to inform us. We are available for any meetings or discussions as needed to facilitate the approval process. Attached to this letter is Business Plan for your reference.

Thank you for your time and consideration. We look forward to your positive response and the opportunity to contribute to Tanzania's investment landscape.

Yours sincerely,

**SHANIF JAMAL**
