**RE: REQUESTING FOR APPROVAL OF REGISTRATION FOR DOLPHIN PROFESSIONAL SERVICES LIMITED (DPSL) AS LOCAL INVESTOR IN TANZANIA**

Reference is made to the above heading

Dolphin Professional Service Limited (We) hope this letter finds you well. We would like to request for approval for the registration as a local investor in Tanzania. DPSL is an ICT services company that aims to provide innovative digital solutions while playing a key role in enhancing the technological landscape and human capital development in the country.

DPSL is particularly focused on collaborating with universities and establishing structured training programs to equip engineering graduates with hands-on ICT skills, bridging the gap between academia and the job market. Through this initiative, the company seeks to contribute to Tanzania's economic growth, create employment opportunities, and foster technological advancement in key sectors.

As a Tanzanian-owned entity, we are keen to operate under the legal framework provided by TIC and ensure compliance with all investment regulations. Therefore, we kindly seek your approval for DPSL's registration as a local investor to enable us to benefit from the available investment facilitation services and incentives.

We appreciate the Tanzania Investment Centre's ongoing commitment to fostering local investments, and we look forward to your guidance and support in this process. Please find enclosed the necessary documents required for registration.

We would be grateful for the opportunity to discuss this further at your earliest convenience. Should you require any additional information, please feel free to contact me at +255748 569696 or [accounts@dolphin.co.tz](mailto:accounts@dolphin.co.tz)
