Dear Sir,

RE: REQUEST FOR AMENDMENT OF CERTIFICATE INCENTIVE NO. 04048202

The above heading refers:

Currently, SBC Tanzania Limited has expanded its operations across the United Republic of Tanzania, operating four plants located in Dar es Salaam, Mbeya, Arusha, and Mwanza. Additionally, the company maintains approximately a dozen depots in Morogoro, Iringa, Moshi, Bukoba, Dodoma, Shinyanga, Tanga, Songea, Igogo, Sumbawanga, Lindi, and Mtwara. Given the persistent demand within the country's soft drink industry, it has been deemed prudent to undertake a significant expansion to serve an increasing customer base better.

In pursuit of serving a greater number of customers promptly and fostering the creation of both direct and indirect employment opportunities, we are currently expanding our operations within the Mwanza region. This includes the acquisition of additional land to support our long-term business strategy. SBC Tanzania Limited intends to extend its presence in Mwanza by acquiring plot 71, Nyakato, Ilemela Municipal, Mwanza Region.

Please find attached the expansion plan regarding the Mwanza plant expansion, along with a copy of the certificate of incentives that requires amendment.

Thank you in advance for your prompt and favorable response.

Yours faithfully
SBC Tanzania Limited
