Subject: Application for Registration of Transport Project – Importation of 300 Trucks Using 100% Compressed Natural Gas (CNG) As Fuel

Dear Sir,

We hereby submit our application for registration of our Transport project with the Tanzania Investment Centre (TIC) for the purpose of obtaining a Certificate of Incentives in accordance with the Tanzania Investment Act, 1997 (Revised Edition 2022).

Dangote Cement Limited Tanzania, a subsidiary of Dangote Group, intends to undertake the importation of **300 trucks using 100% Compressed Natural Gas (CNG) as fuel**, to enhance the efficiency, sustainability, and cost-effectiveness of our logistics operations in Tanzania. This initiative is aligned with the government's efforts to promote cleaner energy and support industrial growth through strategic investments.

The Board of Directors of our company has formally approved the registration of this project with TIC, as confirmed in the attached Board Resolution.

We kindly request TIC's consideration of this application and look forward to engaging in the process of project registration and obtaining the corresponding investment incentives. We are ready to provide any additional documents or information as may be required.

Thank you for your continued support.

Yours faithfully,

For and on behalf of Dangote Cement Limited Tanzania

Adeyemi Fajobi
Managing Director/CEO
