THE DIRECTOR TANZANIA INVESTMENT CENTRE

P.O.BOX 983

DAR ES SALAAM

Dear Sir/Madam

### **RE: EXPLANATION ON SUBMISSION OF CHINESE BANK STATEMENT**

Refer to heading above. We humbly submit this letter to explain the circumstances that have prevented us from providing a Tanzanian bank statement as part of the required documentation.

The is a newly registered company in Tanzania and is yet to commence its operations. At present, all directors and shareholders of the company are based in China and do not hold Tanzanian residency permits. We are currently waiting for grant of certificate of incentive in order to apply for work and residency permits. Consequently, in the absence of valid residency permits, our directors are unable to open a corporate bank account in Tanzania.

Due to these constraints, the company has submitted the bank statement of one of its shareholders from China as temporary supporting evidence of financial capacity. However, we wish to affirm our full commitment that, upon registration with TIC and the issuance of the Certificate of Incentives, the company will immediately proceed to:

- I. Apply for work permits and residency permits for its directors;
- II. Open and operate a corporate bank account with a recognized bank in Tanzania; and

III. Ensure that all financial transactions relating to the company's operations in Tanzania are conducted through this local account.

Furthermore, the Company remains fully committed to complying with all TIC requirements and regulations. We also welcome and are fully prepared for any inspection or verification process that TIC may deem necessary, once the company commences its project.

We sincerely request your understanding of this situation and kindly ask for your consideration of the temporary measures we have taken.

Yours faithfully,

Yours Faithfully
