Dear Sir/Madam,

RE: APPLICATION FOR A CERTIFICATE OF INCENTIVES

Please refer to the captioned subject above,

Our company is engaged in leasing of Solar powered lanterns across the country. with the objective of contributing to Tanzania's economic growth, job creation and empowering the communities living in off grid areas.

We believe the project qualifies for investment incentives under the Act, given its alignment with national development priorities and its potential to stimulate economic activities in the region. Accordingly, we kindly request TISEZA to consider and grant us a Certificate of Incentives to enable us to access the facilitation, benefits, and privileges available to eligible investors.

We remain available to provide any further information or clarification that may assist in the evaluation of this application.

Thank you for your attention and consideration.

Yours faithfully
