RE: NOTIFICATION OF INCREASE IN PROJECT INVESTMENT AND LAND AREA

Dear Sir/Madam,

We refer to our earlier submitted application for a Certificate of Incentives. We are writing to formally notify your office of significant updates to our project details.

Africa Public Sponge Company Limited has increased its total project investment from **USD 500,000 to USD 1,200,000**. This increase reflects our commitment to expanding operations, enhancing production capacity, and ensuring the long-term sustainability of our project.

In line with the investment increase, we are also **expanding the project land area** to support the larger scale of operations.

Our contact person remains **Mr. Zhang Shengchang**, who can be reached at **0784 242 355** for any further communication or clarification.

Enclosed with this letter are the updated documents supporting these changes:

1. Revised Project Business Plan/Feasibility Study
2. Updated financial evidence showing the increased capital
3. Updated land ownership documents (where applicable)

We kindly request your office to acknowledge these changes and guide us on any further steps required for compliance with TIC procedures.

Thank you for your continued support and assistance.

Yours faithfully,

I remain,
