Dear Sir

RE: APPLICATION FOR THE AMENDMENT OF CERTIFICATE.

The above heading refers;

Currently, SBC Tanzania Limited has successfully established a strong presence across the United Republic of Tanzania, operating four state-of-the-art plants in Dar es Salaam, Mbeya, Arusha, and Mwanza. Additionally, our extensive network includes a dozen strategically located depots in Morogoro, Iringa, Moshi, Bukoba, Dodoma, Shinyanga, Tanga, Songea, Igogo, Sumbawanga, Lindi, and Mtwara. Given the continuously rising market demand within the country's dynamic soft drink industry, we firmly believe that undertaking a significant expansion is essential. This strategic growth will enable us to better serve a broader customer base, contribute to local economic development, and meet the increasing needs of Tanzanian consumers. We seek your support and guidance to realize this vision, which promises substantial benefits for our nation's economy and consumers alike.

Intending to serve more customers promptly and create both direct and indirect employment opportunities, SBC Tanzania Limited plans to expand its operations in the Mbeya region's Iyunga Industrial area by enlarging its plant with the newly acquired plots 53, 53,54, and 128, all situated at Iyunga Industrial area.

In pursuance of our mission and commitment to our medium to long-term business strategy, SBC Tanzania Limited has expressed its interest in pursuing and expanding its footprint in the Southern Highland area of the United Republic of Tanzania and its neighboring countries by investing in plant expansion operations.

We hope that our application will be considered favorably.

Many thanks for your continued support.

Yours faithfully
SBC Tanzania Limited
