Dear Sir,

RE: APPLICATION FOR EXPANSION OF PROJECT

We, **SEEDCO TANZANIA LIMITED**, are a company duly registered under the Tanzania Investment Centre, holding Certificate of Incentives number 0222798.

Through this letter, we respectfully apply for the expansion of our seed processing project, which initially ran from June 2010 to July 2013. We are currently constructing a state-of-the-art seed processing facility to enhance production capacity, meet growing market demand, and improve our revenue generation. This project expansion will also contribute to increased employment opportunities, improved food security, and a significant boost in government revenue. The expansion will enable the seamless execution of this initiative, ensuring its long-term success and sustainability.

In light of the above, we kindly seek your approval and necessary facilitation to support the smooth implementation of this expansion. We remain available for any further information or discussions required to facilitate the process.

We appreciate your time and consideration and look forward to your positive response.

Yours faithfully,
