Dear Sir/Madam,

RE: REQUEST FOR EXTENSION OF CERTIFICATE OF INCENTIVES

I hope this letter finds you well. I am writing to request an extension of our **Certificate of Incentives** for the gold mining project under **Primary Mining License (PML) No. 20000031991** at Mburu Village, Kahama District, Shinyanga Region.

Due to unforeseen delays in securing essential resources, including **equipment procurement** and **regulatory approvals**, the project timeline has been extended. These delays are necessary to ensure the project meets all regulatory and compliance standards, which will guarantee its successful completion and long-term sustainability.

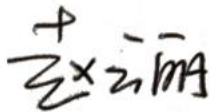

The extension of the **Certificate of Incentives** is crucial to allow us to continue benefiting from the incentives provided, including tax exemptions, duty-free imports, and other benefits, which are vital for the smooth continuation of the project.

We kindly request an extension of the **Certificate of Incentives** to cover the revised project timeline, which will enable us to create more job opportunities, contribute to the local economy, and further support Tanzania's mining industry.

We appreciate your consideration of this request and look forward to your favorable response.

Thank you for your cooperation.

Yours faithfully,

.....
Mrs. Zhao Yunli
