**RE: PROPOSED 100MW SOLAR POWER PROJECT IN MPWAPWA DISTRICT**

***Sub: Status of Land Acquisition and Commitment to obtaining the Right of Occupancy for the Solar PV project in Kisima and Mtera Villages of Mpwapwa District in Dodoma Region***

Reference is made to the above captioned subject

2. TANESCO is working on the development of 100MW Solar PV Project through the Strategic Investor; Total Energies. A suitable area measuring approximately 1152 acres located across the boundaries of Mtera and Kisima Villages in Mpwapwa District - Dodoma Region has been selected for the project. TANESCO's intention is to fully acquire the land and lease it to the investor for the purpose of project development.
3. We are aware that our company must comply with the Land Acquisition Act No. 47 of 1967 and the New Land Acts No. 4 and No. 5 of 1999, which outline the procedure for property valuation and compensation payment prior to project implementation. In this regard, we have undertaken valuation of properties located on the project area. In the valuation, 151 Project Affected Persons (PAPs) have been identified and their collective compensation value amounts to **TZS. 1,299,238,457/=**. Currently, our Valuer is working with the Chief Government Valuer to see through approval of the valuation report.
4. Upon possession of the approved valuation report from the Chief Valuer's office, we commit to effecting timely compensation payment to the PAPs and thereafter obtaining the right of occupancy of the project land.
5. In view of the above, we kindly request your office to proceed with regulatory approvals for this project, taking into consideration our commitment communicated herein.

6. We thank you for your continued cooperation and support.
