

BUSINESS PLAN FOR MY TRANSPORTATION

The Department of Transportation's mission is to provide for the safe, secure, accessible, and reliable movement of people and goods to serve the social and economic needs and aspirations of the people.

GOALS

1. The transportation system continues to improve and my goals is up to 200 cars.
2. An ongoing high level of business and employment opportunities in the public and private transportation sectors.
3. Safe and secure transportation system in all modes.
4. The department has a high performance workplace that is adaptable, effective, efficient, and innovative in delivering programs and services.
5. The department will continue to ensure that the high quality of environment is maintained.
6. The department supports local transportation infrastructure.

Expansion of MY transportation system will facilitate economic diversification and improve the quality of life for residents who will gain increased access to essential services, economic opportunities, mobility, and a reduced cost of living.
