Subject: APPLICATION FOR AMENDMENT OF PROJECT LOCATION DETAILS AND DIRECTORS' INFORMATION

Dear Sir/Madam,

We, **AVJ Water Treatment Ltd**, hereby write to formally request an amendment of our project location details and correction of directors' information in your records.

Our company initially established its industry at Plot No. 07, Area Six, Nane Nane, Morogoro. Following the unfortunate demise of the property owner, Mr. Emmanuel Mbiha, and pursuant to a court order, ownership of the property was transferred to his wife, Mrs. Martha Emmanuel Mbiha.

Thereafter, the landlord subdivided the property into three separate portions. The Morogoro Municipality has issued new plot numbers for the subdivided property as follows:

- Plot No. 7/1
- Plot No. 7/2
- Plot No. 7/3

We wish to inform your office that AVJ Water Treatment Ltd has purchased **Plot No. 7/1**.

In view of the above, we kindly request that our project address in your records be amended to:

Plot No. 7/1, Block “EE”, Area Six, Nane Nane, Morogoro.

Furthermore, we have noted that the details of the directors printed on the back side of our certificate currently reflect incorrect information. We respectfully request that the correct directors' details be updated as follows:

1. **Jitendrakumar Radhelal Sharma** – Indian – 95% Shareholder
2. **Jitendrakumar Bipinchandra Barot** – Indian – 5% Shareholder

We kindly request your office to update the above information in all relevant documentation and official records.

Thanking you in anticipation of your cooperation.

Yours faithfully,

AVJ WATER TREATMENT LIMITED

DIRECTOR
