Dear Sir/Madam,

We refer to our existing TIC Certificate of Incentives granted to **Imperial Estates Limited** and hereby respectfully request your facilitation in obtaining a **Letter of No Objection** from **Kinondoni Municipal Council**. This Letter of No Objection is a mandatory requirement for the proposed amendment to our Certificate of Incentives to include additional land parcels within Msasani.

Kindly note that the specific properties for which the Letter of No Objection is required are as follows:

Plot No. 229, Block A, Msasani

Title Number: 79142

Plot No. 228, Block A, Msasani

Title Number: 3398

We would be grateful if TIC could liaise directly with the Kinondoni Municipal Council to secure the above-mentioned Letter of No Objection at your earliest convenience. Should you require any further documentation.

Thank you for your continued support of our investment activities in Tanzania. We look forward to your prompt assistance in this matter and to receiving confirmation once the Letter of No Objection has been issued.

Yours faithfully,
