**Subject: Request for Extension of Certificate of Incentive**

Dear Director General,

We hope this letter finds you well.

We are writing to formally request an extension of our Certificate of Incentive, which was issued to us on **May 13, 2022** and expired on **May 13, 2025**. The certificate will be the instrumental in supporting the expansion phases of our investment project, and we are committed to ensuring its successful implementation in alignment with national development goals.

To facilitate a smooth continuation of our project and to overcome the remaining operational milestones, we kindly seek your consideration to extend the validity of our Certificate of Incentive. We believe that an extension will enable us to fully realize the intended impact of our investment and contribute meaningfully to the economic growth of Tanzania.

For your reference and review, we have attached the following supporting documents:

- Completed Application Form for Extension
- Photographs showing the current status of the project
- BRELA Official Search Certificate
- Detailed Progress Report outlining achievements and next steps

We remain dedicated to complying with all regulatory requirements and maintaining transparency throughout the process. We would greatly appreciate your favorable consideration of our request and look forward to your guidance on the next steps.

Thank you for your continued support.
