Dear Sir/Madam,

## Re: Application for Investment Incentives for ZEKWA TRADING COMPANY LIMITED

I am writing to formally request investment incentives for ZEKWA TRADING COMPANY LIMITED, a registered company with the registration number 75033, incorporated on 17th February 2010. We are located in Arusha, and our core business involves general construction, including roads, highways, buildings, and utility projects.

Our company has embarked on an investment project worth 1,600,000 US dollars, which will generate significant value for Tanzania's construction sector. This investment includes the development of structures, land, machinery, motor vehicles, and operational costs. The financial structure is composed of 60% equity and 40% loan.

We are committed to contributing to the local economy by providing employment for 12 men and 8 women, as well as supporting community development. With a projected payback period of 3-4 years, we believe this investment will create long-term benefits, including job creation and infrastructure development.

In light of our investment and its potential economic impact, we kindly request your consideration for incentives under the Tanzania Investment Act. These incentives will enable us to successfully execute our project, expand operations, and increase our contribution to Tanzania's economic growth.

Thank you for considering our application. We look forward to your positive response.

Yours faithfully,

Zephania Samweli Kwayu
