Dear Sir/Madam,

**RE: APPLICATION FOR CERTIFICATE OF INCENTIVES FROM
TANZANIA INVESTMENT AND SPECIAL ECONOMIC ZONES
AUTHORITY**

Referencing the heading above, we are writing to hereby submit our formal application for the issuance of a Certificate of Incentives in respect of Dorado Cashew Nuts Limited, in accordance with the Tanzania Investment and Special Economic Zones Act and the applicable regulations.

Dorado Cashew Nuts Limited is undertaking the establishment of a large-scale cashew nut processing facility within Maranje Industrial Park, a designated Special Economic Zone. The project involves the processing of locally sourced raw cashew nuts into export-grade cashew kernels and related by-products for international markets, including Europe, the Middle East, Africa, and Asia.

The proposed investment directly supports the Government of Tanzania's industrialization and value addition agenda by reducing reliance on the export of raw agricultural produce and increasing domestic processing capacity. Upon full implementation, the facility will have the capacity to process up to 120,000 metric tons of raw cashew nuts per annum, contributing significantly to export earnings and foreign exchange inflows.

The project will generate meaningful socio-economic benefits, including the creation of approximately 1,000 direct employment opportunities, of which 950 positions will be filled by Tanzanian nationals, and an estimated 2,000 indirect jobs across the cashew value chain. The investment will also promote skills transfer through the engagement of a limited number of foreign technical specialists.
