Dear Sir/Madam

RE: COVERING LETTER

Msipazi Farm Limited is a Mixed farming and Agro-Processing company that is incorporated in Tanzania in 07th January, 2012. It was located at Farm number 99 and 100, Iteksha Village, Kate Ward, Nkasi District, Rukwa Region in Tanzania. The company intends to apply for certificate of incentives on its new project of **maize seeds production** that is expected to leverage the vast opportunities available in the agriculture sector, to contribute our quota in growing the United Republic of Tanzania (URT) economy.

We have therefore decided to apply for a certificate of incentives for our expansion of project by acquiring more vehicles. Together with this cover letter we have attached the documents below:

- (i) 1 copy of the project's Business Plan/Feasibility Study
- (ii) A dully filled TIC application forms (registration form)
- (iii) A copy of the company's Memorandum and Articles of Association.
- (iv) A certified copy of the Certificate of Incorporation
- (v) Evidence of sufficient finance capital available to implement the project
- (vi) Evidence of land ownership for the location of the project (certified certificate of occupancy).
- (vii) Company Board Resolution to register the project with TIC.

Thank you in advance,

For the Company
