Dear Sir/Madam,

RE: REQUEST FOR AMENDMENT OF INVESTMENT CERTIFICATE APPLICATION – CNG GAS PROJECT

We refer to our previous application dated **10th July 2025** (Ref: TP/dsm/tic/vol.1/2025/014), in which TP COMPANY LIMITED submitted a formal request for the issuance of an Investment Certificate for our **CNG Gas Project** and Cargo Transportation initiatives.

We are pleased to inform you that, following further consultations and project feasibility assessments, TP COMPANY LIMITED has successfully secured additional strategic locations for the implementation of the same CNG Gas Project. The newly acquired project sites are as follows:

1. Kigoma
2. Tabora – Nzega
3. Temeke – Dar es Salaam
4. Dodoma – Msalato
5. Pwani – Chalinze
6. Morogoro – Mkambarani

In view of this expansion, we kindly request the Tanzania Investment Centre (TIC) to process an **amendment to our existing Investment Certificate application** to incorporate the above-mentioned locations under the same project scope.

This amendment is crucial to ensure full regulatory compliance and will enable TP COMPANY LIMITED to proceed with the implementation of infrastructure development, stakeholder engagements, and operational activities in the newly identified areas. The expansion aligns with our objective to increase the accessibility of cleaner energy solutions across Tanzania and significantly contribute to the national agenda of industrialization and environmental sustainability.

We remain fully committed to adhering to all TISEZA guidelines and regulatory requirements throughout the project's lifecycle.

Kindly find attached a detailed project location update and other supporting documents for your reference and further action.

We would highly appreciate your favorable consideration of this amendment request. Should you require any additional information or clarification, please do not hesitate to contact us.

Thank you for your continued support and cooperation.

Yours faithfully,

.....

COMPANY DIRECTOR
