**RE: APPLICATION FOR INVESTMENT PROJECT REGISTRATION –
DEVELOPMENT OF MULTIMODAL LOGISTICS FACILITIES (ICD,
CFS, VID & ECD)**

We, Extra Mileage Cargo Company Limited, are pleased to submit this application to the Tanzania Investment Centre (TIC) for the registration and facilitation of our proposed investment project involving the development of multimodal logistics facilities in the United Republic of Tanzania.

The proposed project entails investment in the establishment and operation of the following logistics infrastructure:

Inland Container Depot (ICD / Dry Port)
Container Freight Station (CFS)
Vehicle Inland Depot (VID)
Empty Container Depot (ECD)

The objective of this project is to enhance Tanzania's logistics and supply chain capacity by improving cargo handling efficiency, decongesting seaports, facilitating regional and international trade, and supporting the government's strategy of positioning Tanzania as a regional logistics hub for East and Central Africa.

Extra Mileage Cargo Company Limited is duly incorporated in the United Republic of Tanzania and has experience in cargo handling, freight forwarding, logistics, and related services. Through this investment, the company aims to create employment opportunities, transfer skills and technology, increase government revenue, and contribute to overall economic growth.

We hereby request TIC's support for:

Registration of the above-mentioned project as an approved investment project;

Issuance of the relevant Certificate of Incentives, where applicable; and

Facilitation and coordination with relevant government institutions for smooth implementation of the project.

Attached herewith are the required documents and preliminary project details as prescribed by TIC guidelines. We remain available to provide any additional information or clarification that may be required. We look forward to TIC's favourable consideration of our application and continued cooperation.

Yours faithfully,

Name: ALAWI ABDALLAH RWEGOSHORA
