**RE: APPLICATION FOR REGISTRATION AND ISSUANCE OF CERTIFICATE
OF INCENTIVES**

Dear Sir/Madam,

We are pleased to submit our formal application for registration and the issuance of a Certificate of Incentives in accordance with the Tanzania Investment Act, Cap. 38 [R.E. 2002], as amended by Act No. 10 of 2022. This application marks a critical step in obtaining formal legal recognition of TANZMORO DISTILLERY COMPANY LIMITED as an eligible investor in the manufacturing sector in Tanzania.

TANZMORO DISTILLERY COMPANY LIMITED is a limited liability company incorporated on 23rd June 2025 under Company Registration Number 186188160. The company was previously known as *TanzSpirit Industries Limited*, and the change of name was officially approved by the Business Registration and Licensing Agency (BRELA) on 25th June 2025. Our project is located on Plots No. 319, 320 and 923 all situated in Wami Luhindo, Mvomero District, Morogoro Region.

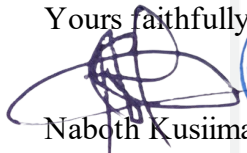

The proposed investment involves the establishment of *a modern distillery for the production of premium spirits*, including high-grade distilled alcoholic products intended for both domestic consumption and export within the East African region. The total capital commitment for the project stands at TZS 26.4 billion (approximately USD 10.5 million). Upon completion, the project is expected to *generate 112 direct jobs*, with a strong emphasis on employing Tanzanian nationals.

This application not only seeks investment registration, but also serves as the legal foundation enabling the company to proceed with key regulatory engagements, including land acquisition, operational licensing, and facilitation of other statutory approvals necessary for the implementation of the project. Formal registration with the Tanzania Investment Centre will grant the company lawful status to undertake its investment operations within the United Republic of Tanzania, while benefiting from institutional support under the TIC framework.

To support this application, we have enclosed the following documents: Certificate of Incorporation; Certificate of Change of Name; project summary and financial overview; and land ownership documentation for the project site.

We remain fully committed to complying with all relevant legal and regulatory requirements and look forward to your favorable consideration. Your approval will enable the company to operationalize this investment in full alignment with Tanzania's national development priorities.

Yours faithfully,

Naboth Kusiima
