RE: EXPRESSION OF INTEREST TO RENT BUNDA AREA LAND – MARA REGION FOR AGRICULTURAL DEVELOPMENT

We, Salith Agro Processing Limited, hereby submit our formal expression of interest to rent land located in the Bunda Area, Mara Region, with the intention of developing it for large-scale agricultural activities and agro-processing initiatives.

According to the information shared by your esteemed office, the Bunda Area land is located approximately 5 kilometers west of Bunda Town in Guta Ward, Musoma Town – Mara Region, with a total size of 3,173 acres, and is well serviced with road access, water supply, and electricity infrastructure.

These attributes make the land highly strategic and suitable for agricultural production, value addition, and rural economic development. Salith Agro Processing Limited intends to utilize the land for sustainable agriculture, creation of agro-value chains, job creation, and supporting regional food security. Our project will attract investment, stimulate local economic growth, and work in alignment with national development and industrialization objectives.

Thank you for your continued support and commitment to facilitating investment in Tanzania.

Yours faithfully,

For: Sarith Argo Estate Limited
Director
