Introduction

GOLD STARD TRADING COMPANY LIMITED is a company registered under the laws of the United Republic of Tanzania, and it has been registered with the Tanzania Investment Centre with Certificate of Incentives No. 202351207.

This progress report is based on the status of our project of meat processing industry in the Vigwazain Chalinze Vigwazain Chalinze

Work Completed

In the meantime, the company has already obtained the business license and a registered survey plan with plan number PWN0037031. Likewise, we have managed to commence the process of building a fence and processing area that covers the project site.

Refer Appendix 'X-I'

Employees at the project site

Since the industry has yet to commence its operation, the company has not hired any person to date. However, the company has entered into a service agreement with the constructor for erecting the fence that will protect the project site. In that case, once we commence the company operations then we shall employ a vast number of local employees in the manufacturing of packaging materials.

Derivative Right

The company is in the process of obtaining Derivative Rights over the land property, but we are unable to proceed as we are yet to be issued with the amended certificate of incentives from your good office.
