**RE: APPLICATION FOR CERTIFICATE OF INCENTIVE – CARGO TRANSPORTATION**

Dear Sir/Madam,

On behalf of **Dodoma Comfort Limited**, I am pleased to submit this application for the Certificate of Incentive to support our cargo transportation operations.

Dodoma Comfort Limited is a Tanzanian company engaged in the **manufacturing of mattresses and allied products**, serving households, institutions, and businesses across the country. As part of our growth strategy, we seek to strengthen our logistics capacity by acquiring **trucks and trailers** dedicated to transporting our manufactured goods to various regions of Tanzania.

The Certificate of Incentive will enable us to achieve the following:

- I. **Reduce distribution costs** by managing transportation internally rather than relying on third-party logistics providers.
- II. **Lower selling prices** of mattresses and allied products, making them more affordable to Tanzanian consumers.
- III. **Enhance competitiveness** in both domestic and regional markets.
- IV. **Support employment creation** through expanded operations in manufacturing and logistics.
- V. **Contribute to national industrialization goals** by improving efficiency in the manufacturing value chain.

We believe that granting Dodoma Comfort Limited this Certificate of Incentive will not only strengthen our company's operations but also align with TIC's mission to promote investment and industrial growth in Tanzania.

We kindly request your favorable consideration of this application. Please find attached all relevant supporting documents for your review.

Thank you for your attention and support.

Yours faithfully,

Hamoud Abdallah Sumry  
**Managing Director**  
Dodoma Comfort Limited
