Subject: Application for Certificate of Incentives – Cement Manufacturing

Dear Sir

We, **TC Cement Company Limited**, hereby submit our formal application for the **Certificate of Incentives** in accordance with the provisions of the Tanzania Investment and Special Economic Zone Authority Act and the Investment Act, to qualify for fiscal and non-fiscal incentives granted to strategic industrial projects.

TC Cement Company Limited intends to undertake a large-scale **cement manufacturing** strategically located in two areas with confirmed raw material deposits and valid mining license: **Kisarawe, Coast Region QDS 203/4 Plot No. 12110/2022** – Licensed site for limestone extraction

The company plans to establish a fully integrated cement plant at this location, including quarrying, crushing, clinker production, grinding, packaging, and distribution. The project aligns with national priorities by supporting local content development, import substitution, infrastructure growth, and employment creation.

In support of this application, all relevant documents will be submitted.

We kindly request your favorable consideration in processing and issuing the **Certificate of Incentives**, which will enable us to commence this strategic manufacturing investment and contribute to Tanzania's industrialization agenda.

We remain available to provide any further information or clarifications that may be required.

Yours faithfully,

Director

TC Cement Company Limited
