Dear Sir,

RE: PROGRESS REPORT UPDATE

Reference is made to the above caption.

We write to provide an update on the current status of our project under **Tan Trucking Co. Limited**.

At present, the project is in its initial phase. We have successfully secured land in **Mkuranga, Pwani** that will serve as the foundation for our operations. This marks an important milestone and sets the stage for the next steps in our development plan.

However, we would like to note that operational activities have not yet commenced. We are currently in the preparatory stages, and we look forward to moving ahead with infrastructure development and implementation in due course.

We appreciate your continued support and will keep you informed as the project progresses.

Managing Director
Mr. GUODENG CHEN
