RE: APPLICATION LETTER FOR NEW CERTIFICATE OF INCENTIVES

We, the Directors of **WANXINGZHIYE COMPANY LIMITED**, are hereby applying for a Certificate of Incentives in the project of Construction of Industrial Park for factories on leasing, which is intended to be executed at **Dodoma, Nyankali Area**, around 20 Kilometers from Dodoma City Center. Our project will create employment for around 1,000 people and will contribute to the local economy.

We have already purchased land of **9,805 Square Meters**, however we understand the process of getting the Derivative Title through Tanzania Investment Center (TIC) it takes some times, we kindly request your office to assist us to get the **Letter of No Objection from Dodoma Land Office** so that we can finish our online registration process at TIC as foreign investment Company here in Tanzania while we wait for the land to be allocated to our Company through Derivative Title.

Sincerely,
