Dear Sir/Madam,

I hope this letter finds you well. I am writing to formally request the issuance of an incentive Certificate in recognition of my performance during the five years project at JM COURIERS TANZANIA LIMITED.

As you are aware, I have been committed to achieving the goals set for Transportation of Cargo, Passengers and Liquid products including Fuels. Given my consistent performance and dedication to the objectives. I believe I am eligible for the incentive certificate.

I kindly request that my application be reviewed, and the incentive certificate be granted as per the relevant policies. If required, I am happy to provide any additional documents or information to support my request.

Thank you for considering my application. I look forward to your positive response.

Yours sincerely,
