**DIRECTOR GENERAL,
TANZANIA INVESTMENT & SPECIAL ECONOMIC ZONES AUTHORITY
(TISEZA),
P.O. BOX 938,
GOLDEN JUBILEE TOWER,
DAR ES SALAAM.**

Dear Sir,

REF: REQUEST FOR CERTIFICATE OF INCENTIVES

We are excited to announce our intention to invest USD 20,000,000 in the manufacturing and sale of steel and iron products in the United Republic of Tanzania. This initiative is poised to not only fulfill local demand but also contribute significantly to the country's industrial capacity.

Our investment project aims to establish a factory at Kwala Industrial Park that will focus on the production of high-quality steel and iron products. By doing so, we seek to provide critical materials for construction, infrastructure, and other industries, thus supporting national development goals.

As part of our commitment to the local economy, we anticipate that our operations will create approximately 850 job opportunities for Tanzanian citizens and an additional 150 positions for foreign professionals with expertise in the industry. This endeavor will also promote skills transfer and capacity building within the local workforce, thereby enhancing employability and fostering economic growth.

Given the anticipated economic and social impacts of our investment, we kindly request the issuance of a Certificate of Incentives from the Tanzania Investment Centre. This certificate will assist in obtaining the incentives especially on the development stage.

We are more than willing to provide any additional information or documentation needed to support our request.

Plot no. B33, Tanzania Steel Industries, Kwala Industrial park,
Kibaha District, Tanzania
