Dear Sir/Madam,

**RE: REQUEST FOR ISSUANCE OF CERTIFICATE OF INCENTIVES FOR INTEGRATED
AGRILOGISTICS HUB**

We write to formally request the issuance of a Certificate of Incentives for our proposed **Integrated Agrilogistics Hub Project**.

Our project is designed to enhance agricultural value chains through the provision of modern logistics infrastructure, including storage facilities, cold chain systems, transportation, and distribution networks. The hub aims to improve efficiency in the handling, preservation, and movement of agricultural produce, thereby reducing post-harvest losses and supporting market accessibility for farmers and agribusiness stakeholders.

We believe that this project aligns with the national development agenda by promoting industrialization, food security, and export growth. In this regard, we kindly request your office to grant us the relevant incentives under the applicable investment framework to facilitate the successful implementation of the project.

We have attached the necessary supporting documents for your review and consideration. Should you require any additional information or clarification, please do not hesitate to contact us.

We look forward to your favorable response and continued support.

Sincerely,

Noel Shiyo
