REF: **REQUEST FOR EXTENSION OF CERTIFICATE OF INCENTIVES, No: 202211973**

Dear Sir/Madam,

We respectfully write to request the **extension of the Certificate of Incentives** previously granted to **KEDA (T) Ceramics Co., Ltd** by the Tanzania Investment Centre. Our company is implementing a large-scale industrial investment project located in **Msumini Kidete, Mbezi, Mkuranga District, Pwani Region**, with a total investment value exceeding **USD 309 million**. Due to the scale and phased implementation of the project, some components of the development are **still ongoing**.

Currently, the company is continuing with the **construction of additional buildings and factory facilities**, as well as **acquiring additional land to support further expansion of the project**. As a result, the project has not yet been fully completed, and we require additional time to finalize the remaining development phases.

We would also like to note that **KEDA (T) Ceramics Co., Ltd has already been recognized as a Special Strategic Investor**, reflecting the significant scale and importance of this investment to Tanzania's industrial development.

In view of the above, we kindly request the Tanzania Investment Centre to **extend the validity of our Certificate of Incentives** for a further period so that the company can continue implementing the remaining phases of the project while maintaining compliance with the investment framework provided by TISEZA. KEDA (T) Ceramics Co., Ltd remains fully committed to contributing to **industrial growth, job creation, technology transfer, and economic development in Tanzania**.

We sincerely appreciate the continued support and cooperation from the Tanzania Investment Centre in facilitating our investment in the country. Should you require any additional information or documentation, please do not hesitate to contact us.

Yours faithfully,
