**RE: APPLICATION FOR INVESTMENT IN TANZANIA – METAL MANUFACTURING PROJECT
(MKURANGA, COAST REGION)**

Reference is made to the above heading

I am writing on behalf of **WANXIANG METALS INVESTMENT LIMITED** to formally express our interest and request support from the Tanzania Investment and Special Economic Zones Authority (TISEZA) to invest in the United Republic of Tanzania.

WANXIANG METALS INVESTMENT LIMITED is a company specialized in the **Manufacturing of metal and metal-related products**. Our planned investment in Tanzania will focus on establishing a modern manufacturing facility located in Mkuranga District, Coast Region, to produce various metal products for both the local and export markets. This project aims to contribute to Tanzania's industrial development, job creation, technology transfer, and value addition in the manufacturing sector.

Our company intends to operate in full compliance with all laws, regulations, and investment procedures as guided by TISEZA and other responsible government institutions. We kindly request TISEZA's guidance and support on the investment registration process, licensing, land acquisition procedures, and any other requirements necessary to successfully establish and operate our project in Tanzania.

We believe Tanzania is a strong and strategic destination for investment due to its stable political environment, growing economy, and commitment to supporting industrial development. **WANXIANG METALS INVESTMENT LIMITED** is ready to work closely with TISEZA to ensure the successful implementation of this project.

Attached herewith are the company profile and preliminary project concept for your review. We would highly appreciate an opportunity to meet with TISEZA officials for further discussion and clarification.

Thank you for your consideration and support.

Yours faithfully,

CHENG QIAN, DIRECTOR
