Dar es Salaam  
United Republic of Tanzania

**RE: APPLICATION FOR RENEWAL OF CERTIFICATE OF INCENTIVES AND INCLUSION OF ADDITIONAL PROJECT LOCATIONS**

We refer to the above subject.

Sinotan Truck Company Limited was issued with Certificate of Incentives No. 202009167 on 23rd September 2020, which expired in August 2023. The Certificate covered the Company's approved investment activities implemented at Chang'ombe A, Mandela Road, Temeke Municipality, Dar es Salaam, located on Plot Numbers 41, 1002-1003 and 1005-1008, Block V.

Despite expiry of the Certificate, the Company has continued implementing the approved investment and remains fully operational. Significant progress has been achieved in terms of capital injection, operational capacity, employment creation and service delivery, as detailed in the attached Investment Progress Report.

In line with market demand and operational growth, the Company has undertaken an expansion of the same registered project by acquiring two additional land parcels within Temeke Municipality. These locations are intended to support:

- customer service operations; and
- spare parts storage and logistics facilities.

The additional locations are integral extensions of the existing project and involve the same approved activities under the original Certificate of Incentives. Copies of the land ownership documents for the new locations are attached for verification and formal inclusion.

Accordingly, the Company respectfully requests TISEZA to:

1. Renew or re-issue the Certificate of Incentives No. 202009167; and
2. Include the two additional project locations under the same Certificate of Incentives as part of one integrated investment project.

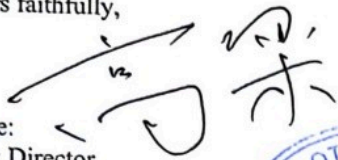

We attach herewith the following documents for your review and consideration:

- Board Resolution approving renewal and expansion;
- Investment Progress Report;
- Land ownership documents for the additional project locations; and
- Copy of the expired Certificate of Incentives No. 202009167.

The Company remains committed to full compliance with TISEZA requirements and is ready to provide any additional information that may be required.

We look forward to your favorable consideration.

Yours faithfully,
