12. Information on challenges encountered and interventions made in executing the project

S/N	Challenges	Impact to the Project	Solutions	Action by TIC
i	Lack of competent drivers	Delays in Operations	Conducted internal training and improved recruitment process	Support in linking with vocational training institutions
ii	Rate fluctuation	Increases operational costs and reduced profit margins	Reviewed pricing structure	- Policy stability support and investment guidance
iii	High operating costs	- Reduced cash flow and slowed expansion plans	- Cost control measures and efficiency plans	Continued incentives and facilitation support
iv				

13. Future Plans

Expansion of fleet, staff capacity building and diversification into new regional markets.

14. General Comments and Recommendations

TIC has been providing tremendous support for investment facilitation & growth. We as a company look forward to grow better with support of TIC and Tanzania.
