We Seedco Tanzania Limited are duly registered with the Tanzania Investment and Special Economic Zones Authority with certificate number 010358-E1 issued on 5<sup>th</sup> April 2025.

As part of our operations, we have acquired a parcel of land in Engorora Village next to Plot 1771, Engorora Village, Arumeru District, Arusha. This parcel of land measuring seven (7) acres has been acquired to enhance the project operations, increase productivity and most importantly, to be in line with the business strategic objectives.

By this letter therefore, we respectfully apply to amend our project to include this parcel of land to the project and ultimately acquire a derivative title to it.

Kind regards,

.....
