Tanzania Investment and Special Economic Zones Authority,
P.O. Box 938,
DAR ES SALAAM.

Re: **SUPPORT FOR INVESTMENT FACILITATION OF EAST AFRICAN
CORRIDOR LIMITED – KURASINI PORT EXTENSION PROJECT**

The subject matter above refers.

2. Please be informed that, Tanzania Ports Authority (TPA) has entered into a Lease Agreement with East African Corridor Limited (EACL) for the development, operation and management of Kurasini Port Extension facility located at Kurasini within the Port of Dar es Salaam.
3. As part of the obligations and implementation framework of the Lease Agreement, EACL is required to undertake the construction, operations and management of Kurasini Port Extension facility. This project constitutes a key component of the national port strategic development initiatives and is registered under Project No. 4300 – Tanzania Ports Development and Management Programme aimed at enhancing operational efficiency, increasing cargo handling capacity, and supporting Tanzania's growing trade and logistics sector. The development is expected to significantly contribute to national economic growth and strengthen the competitiveness of the Port of Dar es Salaam and the country's transport corridor at large.
4. Considering the strategic nature of this development and its anticipated contribution to increased port capacity, cargo throughput, port revenues, and customs-related collections, TPA kindly requests your office to extend the necessary support to EACL in processing and issuance of the investment certificate. Furthermore, TPA request your office to facilitate the granting of applicable fiscal incentives and tax exemptions to ensure smooth implementation of the project.
5. We appreciate your continued cooperation and support in advancing strategic infrastructure investment within port sector.

Plasduce M. Mbossa
DIRECTOR GENERAL
TANZANIA PORTS AUTHORITY
