**Subject - Application for registration of SUNPRA Ventures Private Limited and grant of Certificates of Incentives.**

Dear Sir/Madam,

We are writing to apply for the registration of SUNPRA Ventures, a company incorporated in Tanzania in July 2025 with the Tanzania Investment and Special Economic Zones Authority (TISEZA) and grant of **Certificates of Incentives**.

SUNPRA Ventures plans to invest in Tanzania for the establishment of a **Sunflower Edible Oil Manufacturing Plant in Dodoma Region, Tanzania**. The company also plans to engage in the business and **exports of agricultural commodities** and help economic growth of the country.

Our investment aligns well with the Government of Tanzania's vision for local edible oil production, value addition in agriculture, exports, employment generation, and rural economic development.

We respectfully request TISEZA's guidance and support for registration of the proposed business venture under TISEZA and issuance of Certificates of Incentives.

We are enclosing the required documents as required for registration. We remain available to provide any additional information or clarifications that may be needed to process this application.

We look forward to TISEZA's support and a speedy approval of our application and issue of **Certificate of Incentives**.

Yours faithfully,
