RE: INTENTION TO ESTABLISH TECHNOLOGY-DRIVEN AUTOMOTIVE REPAIR AND MAINTENANCE SERVICES PROJECT IN TANZANIA

TOPKING LIMITED respectfully writes to express its intention to establish and operate technology-driven automotive repair and maintenance service centres in major urban centres of the United Republic of Tanzania.

TOPKING LIMITED is a company committed to delivering modern, efficient, and sustainable automotive solutions through the application of advanced diagnostic technologies, digital service management systems, and skilled technical expertise. The proposed investment aims to address the growing demand for high-quality automotive repair and maintenance services driven by rapid urbanization, increased vehicle ownership, and the expansion of commercial transport activities across Tanzania.

The project will focus on establishing state-of-the-art service centres in key urban areas including, but not limited to, Dar es Salaam, Arusha, Mwanza, and Dodoma. These centres will provide comprehensive services such as computerized vehicle diagnostics, preventive maintenance, mechanical and electrical repairs, fleet management support, and environmentally responsible waste handling practices.

TOPKING LIMITED is fully committed to complying with all laws, regulations, and policies of the United Republic of Tanzania and looks forward to working closely with TISEZA to successfully implement this initiative.
