04<sup>th</sup> February, 2026

The Director General  
Tanzania Investment and Special Economic Zones Authority (TISEZA),  
P.O. Box 938,  
**DAR ES SALAAM**

Ref: TISEZA/Misc/ARK/001/2026,

Dear Sir,

## **RE: APPLICATION FOR AMENDMENT AND EXTENSION OF CERTIFICATE OF INCENTIVES**

We refer to the Certificate of Incentives issued to **ARKMEGA INDUSTRIALS LIMITED**, Certificate of Incentive No. **202321039**, dated **02<sup>nd</sup> February, 2023**, in respect of the approved investment project.

Pursuant to the applicable investment laws, regulations, and guidelines governing Special Economic Zones and investment incentives in Tanzania, we hereby respectfully submit our application for an **amendment and extension of the Certificate of Incentives**.

Specifically, we request approval for the following:

### **1. Amendment of Sector, Project Activity, and Investment Capital**

Request to amend the approved sector and project activity from manufacturing to the development of industrial sheds for lease to manufacturers, and to increase the investment capital from USD 0.5 million to USD 1.5 million, fully funded by the shareholders.

### **2. Extension of Incentive Period**

To extend the duration of the Certificate of Incentives by **one year**, from **February 2026 to February 2027** to allow adequate time for implementation and full realization of the revised project scope.

The proposed amendment is informed by prevailing market conditions and is fully aligned with the **Government of Tanzania's industrialization agenda**, investment facilitation policies, and the strategic objectives of Special Economic Zones. There is a demonstrated and growing demand from both local and foreign investors for **ready built, serviced industrial spaces**, which enable manufacturers to commence operations efficiently without the burden of high upfront capital expenditure and long construction timelines.

The development of industrial sheds directly supports national policy priorities, including the promotion of industrial growth, attraction of manufacturing investments, enhancement of SEZ

occupancy rates, and acceleration of economic activity. By providing compliant and accessible industrial infrastructure, the project will facilitate faster investor entry, stimulate manufacturing output, create employment opportunities, and contribute to technology transfer and value addition within the economy.

The requested extension of the incentive period is necessary to ensure orderly implementation, stabilization, and optimal utilization of the industrial facilities, thereby maximizing the project's contribution to the objectives of the Special Economic Zones framework and the broader national development agenda.

We respectfully request the Authority's consideration and approval of this application. We remain fully committed to complying with all applicable laws and to supporting the Government's vision of transforming Tanzania into a competitive industrial and investment destination.

Please accept, Sir, the assurance of our highest consideration.

Yours faithfully,
