RE: APPLICATION FOR CERTIFICATE OF INCENTIVES – GREEN IRON & STEEL MANUFACTURING PROJECT, MTWARA

Thimar Investment Limited is a company incorporated in the United Republic of Tanzania and is proposing to establish a **state-of-the-art Green Iron & Steel Manufacturing Facility in Mtwara, Tanzania**, focusing on the production of reinforcement steel bars, structural steel products, custom steel fabrication, and industrial steel solutions to support national and regional infrastructure development.

The project is strategically located in Mtwara due to its access to port infrastructure, transport networks, and regional markets, and is designed to contribute to industrialization, employment creation, import substitution, and sustainable manufacturing practices in line with Tanzania's development objectives

In this regard, we hereby formally apply for the issuance of a **Certificate of Incentives** under the TISEZA framework to support the successful implementation of this investment.

Kindly find attached the required application documents, including the Board Resolution approving this application. We remain committed to complying with all applicable laws, regulations, and TISEZA requirements.

Yours faithfully,

Name: Said Maisara Abdul
