DAR ES SALAAM

Dear sir/madam,

**RE: REQUEST FOR A CHANGE OF OUR BUSINESS ACTIVITY FROM BRICK LAYING TO TILES  
MANUFACTURING:**

Tower sinter Brick company limited is a beginning company operating and located in Pwani, chalinze, vigwaza Tanania now based in tiles manufacturing and supply of construction materials, hardware and heating equipment.

As per the advice of the TISEZA officers for us to change our line of business from Bricklaying to tiles manufacturing since the brick laying project can still be done by the local and native investors.

We humbly say we took the advice serious and genuine in so we have decided to change our line of business from bricklaying to tiles manufacturing and since the technology we have been using for bricklaying is not so differed to tiles manufacturing in so we are ready to do the tiles manufacturing per your advice and directions.

In so we write this letter to inform you that we have changed our line of business and to inform you we are set for tiles manufacturing in so we are requesting your office to grant us a certificate of incentive for tiles manufacturing per that change.

We shall be grateful if our request is considered.

YOURS SINCERELY
