RE: APPLICATION FOR CERTIFICATE OF INCENTIVES FOR EXPANSION PROJECT

Dear Sir/Madam,

On behalf of African Greenland Safaris Ltd, I respectfully submit this application for a Certificate of Incentives to support the expansion of our tourism investment operations in Tanzania.

African Greenland Safaris Ltd is a registered tour company based in Arusha, providing guided safari experiences and promoting sustainable tourism. We have contributed to employment creation, conservation awareness, and local community development.

We are implementing a five-year expansion project to strengthen our capacity and enhance Tanzania's tourism sector. The project includes:

- Increasing our safari vehicle fleet to improve safety, efficiency, and visitor experience.
- Establishing an eco-friendly tourist lodge near Arusha National Park to provide quality accommodation and support local supply chains.
- Creating new employment opportunities and skills development for Tanzanian citizens.
- Promoting sustainable tourism practices aligned with national conservation priorities.

This investment will contribute to foreign exchange earnings, job creation, and continued growth of Tanzania's tourism industry. We are committed to complying with all relevant investment, environmental, and tourism regulations.

We kindly request the Tanzania Investment Centre to grant African Greenland Safaris Ltd a Certificate of Incentives to support successful implementation of this expansion project.

Thank you in Advance

George Augustino D'souza
Managing Director
